

Kia Ora!

**Club Physical** is very happy to announce that it is reopening on **Friday December 3rd, 2021**.  
**ALL branches at normal Club hours.**

As you may be aware, we have been closed multiple times throughout the last two years, in fact over **six months** of the last eighteen months, which to be completely transparent; has been very devastating for the business. Finally, now given a date to re-open, my family, our Team and I are very excited to be able to open our doors again under *any* circumstances.

We love and have an overwhelming passion for creating a welcoming atmosphere for all; and seek to provide a **refreshing oasis for fun, friendship, and the peak of good health!** (that's our mission)

- The FULL **GROUPX** timetable will re-start on **December 3<sup>rd</sup>**!
- The **KIDS CLUB** will re-open on **December 6<sup>th</sup>** – but will now need to be pre-booked by you.

To open and provide for **YOU** again; we just have a few things we ask of you to help us reopen smoothly:

- To operate optimally at **Covid-19 Protection Framework** (traffic lights) Club Physical will be requiring all members and the Team to be fully vaccinated against Covid-19 prior before entering the facilities.

**Here's what YOU need to do:**

- Make sure you download your '**MY VACCINE PASS**'. This is the only one we are able to accept. You can print it but **we need to scan the QR code** on the Covid Verifier app.

Please do not email us any vaccination letters or screenshots, we are not allowed to hold any records, we need to scan your QR code.

- Once you are scanned in and verified you have the choice of allowing us to **TICK your vaccination status in our system** next to your name which means you will not need to show us again until it expires OR scan your QR code each visit.
- You may be asked for a **photo ID** for any casual visitors - maybe keep a digital copy of your Driver's License in your phone where you store your cards for easy access.
- Please Bring your **MEMBERSHIP CARD**

- Please bring your '**WORKOUT TOWEL**' - **NO TOWEL, NO ENTRY**' With respect to ALL members, our Team has been asked to ensure no member enters without the towel. Maybe keep a spare in your car or be prepared to purchase one at the Club.
- Please maintain a 1m Social Distance while in the gym.
- Under the Red Light system, the Government says masks are recommended upon entry - but not required while exercising.

Finally, we are **all in this together** - Please do not put any of our Team in a difficult position by asking them to trust you are vaccinated without proof, it is stressful enough as it is, so get the QR Code and follow the above steps.

We are super excited to see your face - We realize that the choice to get vaccinated or not is a personal one and we respect that. However, for us to do what we do best, we need to be open, and vaccinations are the key to us being able to do so.
